Product Information

Technical Information

The Greenlee T1062 is a SC/PC connector SOC adapter for 560XL fiber optic power meter. The SOC allows the power meter to work with various optical connectors, and provides great accuracy and repeatability for measurements on fiber optic systems.

Greenlee T1062 Specifications:

- Product Type: SOC Adapter
- Connector Type: SCPC
- For Use With: 560XL Fiber Optic Power Meter
